

# The Big Yellow House - K-8th

## 2022/2023

**Come join the fun @ PCS's Extended Care Program!**

We have a neighborhood approach to our program. We use various parts of the school campus on a daily basis. All students remaining on campus must be checked into after school care except Middle School Sports. Kindergarten parents turn in a BYH sheet to their child's teacher each week indicating days of BYH attendance. 1st-5<sup>th</sup> students notify teachers in the morning that they will be going to BYH. Middle School students check in with staff in the pergola after school. **Contact BYH @ 626 791-3515 for any changes to after school care.** Come visit us next to carline and Kindergarten!

- **Before morning carline opens** - parents may check in their children starting at 7 am. Enter the Garfield parking lot from Howard Street and bring your child into BYH. Students are released to the campus when the playground is staffed.
- **After School** - Students check in with BYH staff when dismissed.
- A light snack is provided after school. Students may also bring a snack from home or purchase from our Snack Shop (open most days).
- Enrichment Classes are available for an additional charge paid to the enrichment program provider. Please see attached enrichment flyers. BYH fees are **NOT** accrued while your child attends enrichment classes. BYH fees are charged before and after the enrichment class.
- The Library is available for BYH students who are completing homework from 3:15-4:30 p.m. daily.
- Kindergarten & 1<sup>st</sup> Grade have separate activities in the kindergarten playground 3 days per week. They go to the lower playground with their assigned staff 2 days per week.
- 2<sup>nd</sup> Grade - Middle School have opportunities for homework, arts and crafts, games, and spending time with their friends throughout the week.
- Students not picked up in carline will be checked into BYH.

**Blessings,**

**Suzie Allen, Director of BYH**
